Victory Rifle, Handgun & .22 Rim Fire ~ Rifle Models (11" X 17" size).....**\$ 11.95 per pad**
 One of our most innovative target designs.....and perhaps the best "all purpose" open-sight (and "accuracy training") targets ever designed.
Handgun Model - Two (2) 4½" 'V' shaped aiming points.....with NRA 25 yard competition target scoring rings.
Rifle Model - One (1) 9" 'V' shaped aiming point.....with NRA 25 yard competition target scoring rings.
.22 Rim Fire ~ Rifle Model - Six (6) 2" & Three (3) 2¾" 'V' shaped aiming points for shooting @ 50 feet & 75 feet (respectively).....with NRA 50 feet & 75 feet competition target scoring rings.
 The *Victory Series* targets are *designed* for open-sight rifle and handgun shooting at distances from 3 meters (10 feet) to 100 yards, but may also be used for scoped firearms at 50 feet to 500 meters, by resting the 'V' on the horizontal crosshair while splitting the 'V' with the vertical crosshair.
