“If it fits.....It ships”

At Mountain Plains Industries, we always try to “minimize” your shipping cost and “maximize” your delivery service.

Therefore, we always try to ship VIA Priority Mail and use “Flat Rate” Envelopes or Boxes whenever possible.....and now with free “tracking” of your shipment.

This is what “fits”

In order for you to best estimate the most cost effective way for your order to ship, we have provided the most current Priority Mail “Flat Rate” package “costs” and “capacities”.

1 Priority “Flat Rate” Envelope: Cost.....\$6.65 each

Capacity (A) 1 to 4 pads of 8½” X 11” or (B) 1 or 2 pads of 11” X 17”

1 Priority “Flat Rate” Medium Box: Cost..... \$13.60 each

Capacity..... (A) 9 to 26 pads of 8½” X 11” or (B) 3 to 9 pads of 11” X 17”

Or..... any of the following combinations:

- * Up to 3 pads of 8½” X 11” and up to 7 pads of 11” X 17” size targets
- * Up to 5 pads of 8½” X 11” and up to 6 pads of 11” X 17” size targets
- * Up to 7 pads of 8½” X 11” and up to 5 pads of 11” X 17” size targets
- * Up to 9 pads of 8½” X 11” and up to 4 pads of 11” X 17” size targets
- * Up to 11 pads of 8½” X 11” and up to 3 pads of 11” X 17” size targets
- * Up to 14 pads of 8½” X 11” and up to 2 pads of 11” X 17” size targets
- * Up to 20 pads of 8½” X 11” and up to 1 pads of 11” X 17” size targets

While it is slightly less costly to ship 5 to 8 pads of the 8½” X 11” size targets or 3 to 4 pads of the 11” X 17” size targets in two (2) Priority “Flat Rate” envelopes for total shipping of \$13.30, the targets will arrive in better condition with less chance of damage, if shipped in a Medium “Flat Rate” Box for \$13.60. For any other combination of targets, the “Flat Rate” Box does it for less to anywhere in the continental USA, Alaska or Hawaii! The more pads you ship, the less per pad it costs!
